OFFER TO PURCHASE SHARES

DATED DECEMBER 27, 2021

LETTERS OF TRANSMITTAL MUST BE  
RECEIVED BY UMB FUND SERVICES, INC.  
BY FEBRUARY 16, 2022.

THE OFFER AND WITHDRAWAL RIGHTS WILL EXPIRE AT  
11:59 P.M., EASTERN TIME, ON FEBRUARY 16, 2022,  
UNLESS THE OFFER IS EXTENDED

To the Shareholders of  
Aspiriant Risk-Managed Capital Appreciation Fund:

Aspiriant Risk-Managed Capital Appreciation Fund, a closed-end, non-diversified management investment company organized as a Delaware statutory trust (the “Fund”), is offering to purchase for cash on the terms and conditions set out in this offer to purchase (this “Offer to Purchase”) and the related Letter of Transmittal (which, together with this Offer to Purchase, constitutes the “Offer”) an amount of Shares (as defined below), including fractions thereof, with an aggregate net asset value up to approximately 5.00% of the net assets of the Fund. The Fund seeks to achieve its investment objective by investing primarily in general or limited partnerships, funds, corporations, trusts or other investment vehicles (collectively, “Investment Funds”) that invest or trade in a wide range of securities. The Fund intends to invest its assets in U.S. and foreign, including emerging markets, securities and Investment Funds. The investment manager of the Fund is Aspiriant, LLC (the “Investment Manager”). The Offer is being made pursuant to tenders by shareholders of the Fund (“Shareholders”) at a price equal to the net asset value of the tendered Shares as of March 31, 2022 (or at a later date determined by the Fund if the Offer is extended) (in each case, the “Valuation Date”). As used in the Offer, the term “Share” or “Shares” refers to the shares of beneficial interests in the Fund representing beneficial Shares in the Fund, and includes all or any portion of a Shareholder’s Shares, including fractions thereof, as the context requires. Shareholders that desire to tender Shares for purchase must do so by 11:59 p.m., Eastern Time on February 16, 2022 (the “Initial Notice Due Date”), subject to any extension of the Offer made in the absolute discretion of the Fund’s Board of Trustees. The later of the Initial Notice Due Date or the latest time and date that the Fund designates as the deadline for Shareholders to tender Shares for purchase is called the “Notice Due Date” and is the date upon which the Offer expires. If the Fund elects to extend the tender period, the net asset value of the Shares tendered for purchase will be determined at the close of business on a day determined by the Fund and notified to the Shareholders. The Offer is being made to all Shareholders and is not conditioned on any minimum amount of Shares being tendered, but is subject to certain conditions described below. Shares are not traded on any established trading market and are subject to strict restrictions on transferability pursuant to the Fund’s Agreement and Declaration and Trust dated November 10, 2020 (as it may be amended from time to time, the “Agreement and Declaration of Trust”).

Shareholders should realize that the value of the Shares tendered in the Offer likely will change between September 30, 2021 (the last time net asset value was calculated) and the Valuation Date when the value of the Shares tendered to the Fund for purchase will be determined. Shareholders tendering their Shares should also note that they will remain Shareholders in the Fund, with respect to the Shares tendered and accepted for purchase by the Fund, through March 31, 2022, or a later date determined by the Fund if the Offer is extended (in each case, the “Repurchase Date”). Any tendering Shareholders that wish to obtain the estimated net asset value of their Shares should contact the Tender Offer Administrator at UMB Fund Services, Inc., the Fund’s Administrator, at (877) 997-9971 or at Aspiriant Risk-Managed Capital Appreciation Fund, c/o UMB Fund Services, Inc. at 235 W. Galena Street, Milwaukee, Wisconsin 53212, Attention: Tender Offer Administrator, Monday through Friday, except holidays, during normal business hours of 9:00 a.m. to 5:00 p.m. (Eastern Time).

Shareholders desiring to tender all or some of their Shares in accordance with the terms of the Offer should complete and sign the enclosed Letter of Transmittal and send or deliver it to UMB Fund Services, Inc. in the manner set out below.

### **Important**

**None of the Fund, the Investment Manager or the Fund’s Board of Trustees makes any recommendation to any Shareholder whether to tender or refrain from tendering Shares. Shareholders must make their own decisions whether to tender Shares, and, if they choose to do so, the amount of their Shares to tender.**

**Because each Shareholder’s investment decision is a personal one, based on financial circumstances, no person has been authorized to make any recommendation on behalf of the Fund as to whether Shareholders should tender Shares pursuant to the Offer. No person has been authorized to give any information or to make any representations in connection with the Offer other than those contained herein or in the Letter of Transmittal. If given or made, such recommendation and such information and representations must not be relied on as having been authorized by the Fund, the Investment Manager, or the Fund’s Board of Trustees.**

**This transaction has not been approved or disapproved by the Securities and Exchange Commission nor has the Securities and Exchange Commission or any state securities commission passed on the fairness or merits of such transaction or on the accuracy or adequacy of the information contained in this document. Any representation to the contrary is unlawful.**

## 1. SUMMARY TERM SHEET

This Summary Term Sheet highlights certain information concerning the Offer. To understand the Offer fully and for a more complete discussion of the terms and conditions of the Offer, please read carefully this entire Offer to Purchase and the related Letter of Transmittal. Section references are to this Offer to Purchase.

- The Fund (referred to as “we”, “us” or the “Fund” in this Summary Term Sheet) is offering to purchase Shares in an amount up to approximately 5.00% of the net assets of the Fund (or approximately \$152,165,382 as of September 30, 2021). We will purchase your Shares at their net asset value (that is, the value of the Fund’s total assets minus its total liabilities, including accrued fees and expenses, multiplied by the proportionate number of Shares in the Fund you desire to tender, after giving effect to all allocations) calculated as of the Valuation Date. The net asset value of Shares will be calculated for this purpose as of March 31, 2022 or, if the Offer is extended, as of any later Valuation Date. The Offer will remain open until 11:59 p.m., Eastern Time, on February 16, 2022 (or if the Offer is extended, until any later Notice Due Date), at which time the Offer is scheduled to expire.
- The number of shares being offered for purchase with the Offer is approximately 696,728; (ii) the number of outstanding shares of the Fund as of September 30, 2021 is 13,933,905, and the net asset value per share of the Fund as of September 30, 2021 is \$10.92.
- The Fund reserves the right to adjust the Valuation Date to correspond with any extension of the Offer. The Fund will review the net asset value calculation of the Shares during the Fund’s audit for the fiscal year ending on March 31, 2022, which the Fund expects will be completed within 60 days of the fiscal year-end, and that net asset value will be used to determine the final amount paid for tendered Shares. Because the Fund’s current fiscal year will end on March 31, 2022, the Fund expects that the audit will be completed by the end of May 2022.
- A Shareholder may tender all or some of its Shares. If a Shareholder tenders some of its Shares in an amount that would cause the Shareholder’s remaining Shares to have a net asset value of less than \$25,000 (except as a result of pro ration), the Board of Trustees reserves the right to reduce the amount to be repurchased from the Shareholder so that the required minimum account balance is maintained or to repurchase the remainder of the Shareholder’s Shares in the Fund. See Section 4.
- If you tender your Shares and we purchase those Shares, we will issue you a non-interest bearing, non-transferable promissory note (the “Note”) entitling you to an amount equal to the net asset value of the Shares tendered (valued in accordance with the Registration Statement, as defined below) determined as of March 31, 2022 (or if the Offer is extended, the net asset value determined on the Valuation Date).
- The Note will entitle you to an initial payment in cash (valued in accordance with the Registration Statement, as defined below) equal to at least 95% of the unaudited value of the Shares (the “Initial Payment”). The Fund may take approximately 45 days after the Repurchase Date to make the Initial Payment.
- The Note will also entitle the tendering Shareholder to receive a contingent payment (the “Post-Audit Payment”) equal to the excess, if any, of (1) the aggregate value of the repurchased Shares as of the Valuation Date (as it may be adjusted based upon the next annual audit of the Fund’s financial statements), *over* (2) the Initial Payment. The Post-Audit Payment will be payable within approximately 45 days after the completion of the Fund’s next annual audit. The Note will be held by UMB Fund Services, Inc.

(referred to herein as “UMBFS” or the “Administrator”) on your behalf. Upon a written request by you to UMBFS, UMBFS will mail the Note to you at the address for you as maintained in the books and records of the Fund. See Section 7.

- If we accept the tender of your Shares, we will pay you the proceeds from one or more of the following sources: cash on hand, proceeds from the sale of portfolio holdings, or borrowings. The purchase amount will be paid entirely in cash. See Section 7.
- If you desire to tender Shares for purchase, you must do so by 11:59 p.m., Eastern Time, on February 16, 2022 (or if the Offer is extended, by any later Notice Due Date), at which time the Offer is scheduled to expire. Until that time, you have the right to change your mind and withdraw any tenders of your Shares. Shares withdrawn may be re-tendered, however, provided that such tenders are made before the Notice Due Date by following the tender procedures described herein. If the Fund has not yet accepted your tender of Shares on or prior to February 23, 2022 (*i.e.*, the date 40 business days from the commencement of the Offer), you will also have the right to withdraw the tender of your Shares after such date. See Section 6.
- If you would like us to purchase your Shares, you should complete, sign and either (i) mail or otherwise deliver the Letter of Transmittal, enclosed with the Offer, to Aspiriant Risk-Managed Capital Appreciation Fund, c/o UMB Fund Services, Inc. at 235 W. Galena Street, Milwaukee, Wisconsin 53212, Attention: Tender Offer Administrator; or (ii) fax it to UMBFS at (816) 860-3140, Attention: Tender Offer Administrator, so that it is received before 11:59 p.m., Eastern Time, on February 16, 2022. The value of your Shares may change between September 30, 2021 (the last time net asset value was calculated) and the Valuation Date when the value of the Shares being purchased will be determined. See Section 3.
- As of September 30, 2021, the net asset value of the Fund was \$152,165,382. If you would like to obtain the estimated net asset value of your Shares, which we calculate from time to time, based upon the information we receive from the managers of the investment funds in which we invest, you may contact the Tender Offer Administrator at UMBFS at (877) 997-9971 or at the address listed on the cover page of the Letter of Transmittal, Monday through Friday, except holidays, during normal business hours of 9:00 a.m. to 5:00 p.m. (Eastern Time). See Section 3.

## 2. BACKGROUND AND PURPOSE OF THE OFFER.

The purpose of the Offer is to provide liquidity to the Shareholders that hold Shares in the Fund, as contemplated by and in accordance with the procedures set out in the Fund’s registration statement on Form N-2 (as it may be amended, modified or otherwise supplemented from time to time, the “Registration Statement”) and the Agreement and Declaration of Trust. The Registration Statement and the Agreement and Declaration of Trust provide that the board of trustees of the Fund (the “Board of Trustees”) has the discretion to determine whether the Fund will purchase Shares from time to time from Shareholders pursuant to written tenders. The Registration Statement also states that the Investment Manager anticipates recommending to the Fund’s Board of Trustees that the Fund offer to repurchase interests from its Shareholders quarterly each year. The Fund commenced operations on April 1, 2021 and has previously made three offers to purchase Shares from Shareholders.

Because there is no secondary trading market for Shares and transfers of Shares are prohibited without prior approval of the Investment Manager, the Board of Trustees has determined to cause the Fund to make the Offer, after consideration of various matters, including but not limited to those set out in the Registration

Statement and the Agreement and Declaration of Trust. While the Investment Manager intends to recommend to the Fund's Board of Trustees that the Fund offer to repurchase interests in the Fund on a quarterly basis each year, the Fund's Board of Trustees is under no obligation to follow such recommendations.

The purchase of Shares pursuant to the Offer will have the effect of increasing the proportionate interest in the Fund of Shareholders that do not tender Shares. Shareholders that retain their Shares may be subject to increased risks due to the reduction in the Fund's aggregate assets resulting from payment for the Shares tendered. One such risk is that, due to a reduction in the aggregate assets of the Fund, Shareholders that do not tender Shares may bear higher costs to the extent that certain expenses borne by the Fund are relatively fixed and may not decrease if assets decline. These effects may be reduced or eliminated to the extent that additional subscriptions for Shares are made by new and existing Shareholders from time to time. Payment for Shares purchased pursuant to the Offer could result in the Investment Manager being required to raise cash to accommodate the tender by liquidating portfolio holdings in the Fund earlier than the Investment Manager would otherwise have caused these holdings to be liquidated, potentially resulting in losses or increased operating expenses for the Fund.

Shares that are tendered to the Fund in connection with the Offer will be retired, although the Fund may issue Shares from time to time in accordance with the Registration Statement. The Fund currently expects that it will accept subscriptions for Shares as of the first business day of each calendar quarter, but is under no obligation to do so, and may do so more frequently as determined by the Board of Trustees.

The tender of Shares by a Shareholder will not affect the record ownership of such Shareholder for purposes of voting or entitlement to any distributions payable by the Fund unless and until such Shares are purchased. You should also realize that although the Offer is scheduled to expire on February 16, 2022 (unless it is extended), you remain a Shareholder of the Fund with respect to the Shares you tendered that are accepted for purchase by the Fund through the Repurchase Date.

### 3. OFFER TO PURCHASE AND PRICE.

The Fund will, on the terms and subject to the conditions of the Offer, purchase an amount of Shares up to approximately 5.00% of the net assets of the Fund that are tendered by Shareholders by 11:59 p.m., Eastern Time, on February 16, 2022 (or if the Offer is extended, by any later Notice Due Date), and not withdrawn (as provided in Section 6 below) prior to the Notice Due Date. The Fund reserves the right to extend, amend or cancel the Offer as described in Sections 4 and 8 below. The value of the Shares tendered for purchase will be their value as of March 31, 2022 or, if the Offer is extended, as of any later Valuation Date, payable as set out in Section 7. The determination of the value of Shares as of the Valuation Date is subject to adjustment based upon the results of the next annual audit of the Fund's financial statements.

### 4. AMOUNT OF TENDER.

Subject to the limitations set out below, a Shareholder may tender all or some of its Shares. If a Shareholder tenders some of its Shares in an amount that would cause the remaining Shares to have a net asset value of less than \$25,000, the Board of Trustees reserves the right to reduce the amount to be repurchased from the Shareholder so that the required minimum account balance is maintained or to repurchase the remainder of the Shareholder's Shares in the Fund. The Offer is being made to all Shareholders of the Fund and is not conditioned on any minimum amount of Shares being tendered.

If the amount of Shares that are properly tendered pursuant to the Offer and not withdrawn pursuant to Section 6 below is less than or equal to approximately 5.00% of the net assets of the Fund, the Fund will, on the terms and subject to the conditions of the Offer, purchase all of the Shares so tendered unless the Fund

elects to cancel or amend the Offer, or postpone acceptance of tenders made pursuant to the Offer, as provided in Section 8 below. If Shares in excess of 5.00% of the net assets of the Fund are duly tendered to the Fund prior to the Notice Due Date and not withdrawn prior to the Notice Due Date pursuant to Section 6 below, the Fund will accept Shares tendered prior to the Notice Due Date and not withdrawn prior to the Notice Due Date for payment on a pro rata basis based on the aggregate net asset value of tendered Shares. The Offer may be extended, amended or canceled in other circumstances described in Section 8 below.

## 5. PROCEDURE FOR TENDERS.

Shareholders wishing to tender Shares pursuant to this Offer to Purchase should send or deliver by February 16, 2022 (or if the Offer is extended, by any later Notice Due Date) a completed and executed Letter of Transmittal to UMBFS, to the attention of the Tender Offer Administrator, at the address set out on the first page of the Letter of Transmittal, or fax a completed and executed Letter of Transmittal to UMBFS, also to the attention of the Tender Offer Administrator, at the fax number set out on the first page of the Letter of Transmittal. The completed and executed Letter of Transmittal must be received by UMBFS, either by mail or by fax, no later than 11:59 p.m., Eastern Time, on February 16, 2022 (or if the Offer is extended, no later than any later Notice Due Date).

The Fund recommends that all documents be submitted to UMBFS via certified mail, return receipt requested, or by facsimile transmission. Shareholders wishing to confirm receipt of a Letter of Transmittal may contact UMBFS at the address or telephone number set out on the first page of the Letter of Transmittal. The method of delivery of any documents is at the election and complete risk of the Shareholder tendering Shares, including, but not limited to, the failure of UMBFS to receive any Letter of Transmittal or other document submitted by facsimile transmission. All questions as to the validity, form, eligibility (including time of receipt) and acceptance of tenders will be determined by the Fund, in its sole discretion, and such determination will be final and binding. The Fund reserves the absolute right to reject any or all tenders determined by it not to be in appropriate form or the acceptance of or payment for which would, in the opinion of counsel for the Fund, be unlawful. The Fund also reserves the absolute right to waive any of the conditions of the Offer or any defect in any tender with respect to any particular Shares or any particular Shareholder, and the Fund's interpretation of the terms and conditions of the Offer will be final and binding. Unless waived, any defects or irregularities in connection with tenders must be cured within such time as the Fund will determine. Tenders will not be deemed to have been made until the defects or irregularities have been cured or waived. None of the Fund, the Investment Manager or the Board of Trustees will be obligated to give notice of any defects or irregularities in tenders, nor will any of them incur any liability for failure to give such notice.

## 6. WITHDRAWAL RIGHTS.

Until the Notice Due Date, Shareholders have the right to withdraw any tenders of their Shares. Shares withdrawn may be re-tendered, however, provided that such tenders are made before the Notice Date by following the tender procedures described in Section 5. Pursuant to Rule 13e-4(f)(2)(ii) of the Exchange Act, if the Fund has not yet accepted a Shareholder's tender of Shares on or prior to February 23, 2022 (*i.e.*, the date 40 business days from the commencement of the Offer), a Shareholder will also have the right to withdraw its tender of Shares after such date. To be effective, any notice of withdrawal must be timely received by UMBFS at the address or fax number set out on the first page of the Letter of Transmittal. All questions as to the form and validity (including time of receipt) of notices of withdrawal will be determined by the Fund, in its sole discretion, and such determination will be final and binding. A tender of Shares properly withdrawn will not thereafter be deemed to be tendered for purposes of the Offer.

## 7. PURCHASES AND PAYMENT.

For purposes of the Offer, the Fund will be deemed to have accepted Shares that are tendered if and when it gives written notice to the tendering Shareholder of its election to purchase such Shares. As stated in Section 3 above, the amount offered for the Shares tendered by Shareholders will be the value thereof as of March 31, 2022, or if the Offer is extended, as of any later Valuation Date. The value will be determined after all allocations to capital accounts of the Shareholders required to be made by the Registration Statement and the Agreement and Declaration of Trust have been made. The Fund will not pay interest on the purchase amount.

For Shareholders that tender Shares that are accepted for purchase, payment of the purchase amount will consist of the Note, a non-interest-bearing non-transferable promissory note. The Note will entitle the Shareholder to receive the Initial Payment in an amount equal to at least 95% of the unaudited net asset value of the Shares tendered and accepted for purchase by the Fund, determined as of the Valuation Date. The Fund may take approximately 45 days after the Repurchase Date to make the Initial Payment. The Note will also entitle the tendering Shareholder to receive a contingent payment (the “Post-Audit Payment”) equal to the excess, if any, of (1) the aggregated value of the repurchased Shares as of the Valuation Date (as it may be adjusted based upon the next annual audit of the Fund’s financial statements), *over* (2) the Initial Payment. The Post-Audit Payment will be payable within approximately 45 days after the completion of the Fund’s next annual audit. It is anticipated that the annual audit of the Fund’s financial statements will be completed no later than 60 days after the fiscal year-end of the Fund.

The Note pursuant to which a tendering Shareholder will receive the Initial Payment and, if applicable, Post-Audit Payment (together, the “Cash Payment”) will be held by UMBFS on behalf of the tendering Shareholder. Upon a written request by a Shareholder to UMBFS, UMBFS will mail the Note to the Shareholder at the address of the Shareholder as maintained in the books and records of the Fund. Any Cash Payment due pursuant to the Note will be made by wire transfer directly to the tendering Shareholder to an account designated by the Shareholder in the Letter of Transmittal.

The Fund will make payment for Shares it purchases pursuant to the Offer from one or more of the following sources: cash on hand, proceeds from the sale of portfolio holdings, or borrowings. Upon its acceptance of tendered Shares for repurchase, the Fund will maintain daily, as an entry on its books, a distinct account consisting of cash and/or liquid securities in an amount equal to the aggregate estimated unpaid dollar amount of any Note, as described above. None of the Fund, the Board of Trustees, or the Investment Manager have determined at this time to borrow funds to purchase Shares tendered in connection with the Offer. However, depending on the dollar amount of Shares tendered and prevailing general economic and market conditions, the Fund, in its sole discretion, may decide to fund any portion of the amount offered for the purchase of Shares, subject to compliance with applicable law, through borrowings. The Fund expects that the repayment of any amounts so borrowed will be financed from additional funds contributed to the Fund by existing and/or new Shareholders.

The purchase amount will be paid entirely in cash.

## 8. CERTAIN CONDITIONS OF THE OFFER.

In the absolute discretion of the Board of Trustees, the Fund reserves the right, at any time and from time to time, to extend the period of time during which the Offer is pending by notifying Trustees of such extension. In the event that the Fund elects to extend the tender period, the net asset value of the Shares tendered for purchase will be determined as of the later Valuation Date. During any such extension, all Shares previously tendered and not withdrawn will remain subject to the Offer. The Fund also reserves the right at any time and

from time to time up to and including acceptance of tenders pursuant to the Offer: (a) to cancel the Offer in the circumstances set out in the following paragraph and in the event of such cancellation not to purchase or pay for any Shares tendered pursuant to the Offer; (b) to amend the Offer; and (c) to postpone the acceptance of Shares. If the Fund determines to amend the Offer or to postpone the acceptance of Shares tendered, it will, to the extent necessary, extend the period of time during which the Offer is open as provided above and will promptly notify Shareholders.

The Fund may cancel the Offer, amend the Offer or postpone the acceptance of tenders made pursuant to the Offer if: (a) the Fund would not be able to liquidate portfolio securities in a manner that is orderly and consistent with the Fund's investment objectives and policies in order to purchase Shares tendered pursuant to the Offer; (b) there is, in the judgment of the Board of Trustees, any (i) legal action or proceeding instituted or threatened challenging the Offer or otherwise materially adversely affecting the Fund, (ii) declaration of a banking moratorium by federal or state authorities or any suspension of payment by banks in the United States or New York State that is material to the Fund, (iii) limitation imposed by federal or state authorities on the extension of credit by lending institutions, (iv) suspension of trading on any organized exchange or over-the-counter market where the Fund has a material investment, (v) commencement of war, armed hostilities or other international or national calamity directly or indirectly involving the United States that is material to the Fund, (vi) material decrease in the net asset value of the Fund from the net asset value of the Fund as of the commencement of the Offer, or (vii) other event or condition that would have a material adverse effect on the Fund or its Shareholders if Shares tendered pursuant to the Offer were purchased; (c) the Board of Trustees determines that it is not in the best interest of the Fund to purchase Shares pursuant to the Offer; or (d) for any other periods that the Securities and Exchange Commission (the "SEC") permits by order for the protection of Shareholders.

## 9. CERTAIN INFORMATION ABOUT THE FUND.

There have been no transactions involving Shares that were effected during the past 60 days by the Fund, the Investment Manager, any member of the Board of Trustees or any person controlling the Fund, the Investment Manager or the Board of Trustees.

#### 10. CERTAIN FEDERAL INCOME TAX CONSEQUENCES.

The following discussion is a general summary of the federal income tax consequences of the purchase of Shares by the Fund for cash pursuant to the Offer. Shareholders should consult their own tax advisers for a complete description of the tax consequences to them of a purchase of their Shares by the Fund pursuant to the Offer.

A Shareholder will generally recognize a taxable gain or loss on a sale of their Shares in an amount equal to the difference between their tax basis in the Shares and the amount they receive for them. Generally, this gain or loss will be long-term or short-term depending on whether the holding period exceeds twelve months. Additionally, any loss realized on a disposition of Shares of the Fund may be disallowed under "wash sale" rules to the extent the Shares disposed of are replaced with other shares of the Fund within a period of 61 days beginning 30 days before and ending 30 days after the Shares are disposed of, such as pursuant to a dividend reinvestment in Shares of the Fund. If disallowed, the loss will be reflected in an upward adjustment to the basis of the Shares acquired.

Pursuant to the regulations directed at tax shelter activity, taxpayers are required to disclose to the Internal Revenue Service certain information on Form 8886 if they participate in a "reportable transaction." A transaction may be a "reportable transaction" based upon any of several indicia with respect to a shareholder, including the recognition of a loss in excess of certain thresholds (for individuals, \$2 million in one year or \$4 million in any combination of years). Shareholders should consult their own tax advisers concerning any possible disclosure obligation with respect to their investment in Shares.

## ASPIRIANT RISK-MANAGED CAPITAL APPRECIATION FUND

Ladies and Gentlemen:

The undersigned hereby tenders to Aspiriant Risk-Managed Capital Appreciation Fund, a closed-end, non-diversified management investment company organized as a statutory trust under the laws of the State of Delaware (the “Fund”), some or all of the shares of beneficial interest in the Fund (the “Shares”) held by the undersigned, described and specified below, on the terms and conditions set out in the Offer to Purchase, dated December 27, 2021 (the “Offer”), receipt of which is hereby acknowledged, and in this Letter of Transmittal. THE OFFER AND THIS LETTER OF TRANSMITTAL ARE SUBJECT TO ALL THE TERMS AND CONDITIONS SET OUT IN THE OFFER, INCLUDING, BUT NOT LIMITED TO, THE ABSOLUTE RIGHT OF THE FUND TO REJECT ANY AND ALL TENDERS DETERMINED BY IT, IN ITS SOLE DISCRETION, NOT TO BE IN THE APPROPRIATE FORM.

The undersigned hereby sells to the Fund the Shares tendered pursuant to this Letter of Transmittal. The undersigned warrants that it has full authority to sell the Shares tendered hereby and that the Fund will acquire good title to the Shares, free and clear of all liens, charges, encumbrances, conditional sales agreements or other obligations relating to this sale, and not subject to any adverse claim, when and to the extent the Shares are purchased by the Fund. Upon request, the undersigned will execute and deliver any additional documents necessary to complete the sale in accordance with the terms of the Offer.

The undersigned recognizes that under certain circumstances set out in the Offer, the Fund may not be required to purchase the Shares tendered hereby.

A promissory note (the “Note”) for the value of the purchased Shares will be held by UMB Fund Services, Inc. (“UMBFS”) on behalf of the undersigned. Upon written request by the undersigned to UMBFS, UMBFS will mail the Note to the undersigned at the address of the undersigned as maintained in the books and records of the Fund. The Note will also reflect the “Post-Audit Payment” portion of the purchase amount, if any, as described in Section 7 of the Offer. Any Post-Audit Payment of cash due pursuant to the Note will also be made by wire transfer of the funds to the undersigned’s account as provided herein. The undersigned recognizes that the amount of the initial payment of the purchase amount for Shares will be based on the unaudited value of the Fund as of March 31, 2022, subject to an extension of the Offer as described in Section 8 of the Offer. The Post-Audit Payment will be payable within approximately 45 days after the completion of the Fund’s next annual audit. It is anticipated that the annual audit of the Fund’s financial statements will be completed no later than 60 days after the fiscal year-end of the Fund.

All authority conferred or agreed to be conferred in this Letter of Transmittal will survive the death or incapacity of the undersigned and the obligation of the undersigned hereunder will be binding on the heirs, personal representatives, successors and assigns of the undersigned. Except as stated in Section 6 of the Offer, this tender is irrevocable.
